From the second day of Passover (April 23) until Shavuot (June 11), Jews count. We count the days from celebrating freedom from Egyptian servitude to standing at Mount Sinai to receive the Torah. Each day we will highlight one charity/organization our congregants support. Please consider sharing with Rabbi Symons one/some of the organizations to which you donate and a brief comment why and let her know if she can give attribution or if you would prefer to remain anonymous.

“Clothing makes the man” is an expression that comes into play in this week’s Torah portion. In it, the High Priest Aaron is to wear simple linen clothing when offering sacrifices and then puts on the ornamented, tabernacle-reflecting clothing of his other priestly duties. Consider how you dress for different occasions and how that affects your comportment, attitude, and soul as well as what others see when they look at you.

We pray for healing for our fellow congregants; please bring those prayers beyond the sanctuary via a phone call, a visit, a note or assistance. Please notify the Rabbi or Beverly, if you would like to add or delete a name from this list. We pray for people in America and around the world in need of healing.

In consideration of privacy, the names have been removed from this online version of the service handout. If you would like to have the name of a loved one said aloud during this service, please write it in the chat preferably including his/her relationship to you.

We remember, with love, the Six Million whose lives were taken during the Holocaust. We also remember, with love, those who were taken from our midst this week in years past. *When you hear the name of your loved one, please rise in place. We will all rise as a community to say kaddish.*
